THERMOSKIN SERVICES

CUSTOM MADE:

As we know body types all have a uniqueness to them. At Thermoskin we are committed to providing the best possible size and fit, so that the product is functional and works to it's optimum.

If you have a customer where our standard size does not fit, offer them the opportunity to have their Thermoskin Thermal Support custom made.

As an Australian Manufacturer we are able to offer this value add service to your customers.

* Terms & Conditions Apply

DIRECT SUPPLY:

Thermoskin has an extensive range of product within it's portfolio. As such we are committed to providing a fast and efficient turnaround of those items that **cannot be ordered through the wholesalers.**

Email orders to orders@upi.com.au

Fax an order direct to UPI (03 9761 7533) with your pharmacy letterhead, wholesaler account details and product you require, (including the size).

We will then send direct to you the product you have ordered and charge the item through your nominated wholesaler.

* NOTE: \$11.95 (inc GST) freight charge for all orders sent direct from UPI

TRAINING:

Thermoskin offers several methods to up-skill pharmacy staff on the features and benefits of our product range:

- Product videos: www.youtube.com/user/ThermoskinSupportTV
- Thermoskin one-on-one and/or group training.
- Online injury centre resource: www.thermoskin.com/injury-centre/
